MEMORANDUM FOR: Director, National Photographic Interpretation Center

ATTENTION : ██████████ 25X1A

SUBJECT : Residual Inventory Contract BB-425
Task Order No. 2

25X1A

1. Pursuant to telephone conversation between Messrs. ██████████ attached is the complete residual inventory on Task Order No. 2. Your comments on the likelihood of whether such accumulation was necessary and desirable will be appreciated, as well as your opinion as to whether or not these items might be used in the proposed image enhancement viewer. As you are aware, your activity has indicated that the items reported on the initial inventory (those marked with a single asterisk) can be utilized by NPIC. The same people might be shown the complete list to determine whether any additional items can be profitably utilized in the event that Audit and Contracting Officer determinations are to the effect that these items are proper charges to Task Order No. 2.

25X1A

2. It may be advisable to get together with ██████████ of this office and ██████████ after Bill's visit to the Contractor. 25X1A
